MEMORANDUM FOR: SEE DISTRIBUTION

SUBJECT: Extension for Completion of Erroneous Payment of Living Quarters Allowance Audit

In a memorandum dated January 3, 2013, I directed the Military Departments, Defense Agencies and Field Activities to complete an audit of the pay accounts of all locally hired employees in all overseas locations who are currently receiving Living Quarters Allowance (LQA) (see attachment). In order to ensure that the final results of this audit are valid and consistent, and employees are not notified prematurely or incorrectly regarding the LQA determination that applies to them, I am extending the suspense for completion of this audit to April 18, 2013.

If additional information is required, my point of contact for this issue is Mr. Seth Shulman, who may be reached at (571) 372-1617 or by email at seth.shulman@cpms.osd.mil.

Sincerely,

Jessica L. Wright
