IAW EO 13526, Section 3.5
Date: AUG 2 1 2013

Your Majesty:

We have noted with great joy and satisfaction the success of His Royal Highness Prince Bandar bin Sultan in bringing about a cease-fire in Lebanon. On behalf of the entire Department of Defense, I offer my congratulations and thanks for the untiring efforts and patient perseverance of your nephew. He has made a great contribution towards an eventual solution of the Lebanon problem.

Prince Bandar has conveyed your interest in a speedy resolution of your Government's request to purchase the C-4 Security System for the two royal Boeing B-747 aircraft. I am informed that Boeing submitted the request to install these systems on September 23 to the Department of State. The State Department and the Defense Department expect to complete favorable action on this request in the next few days, so as to allow expedited installation.

We pray for your good health and your continuing wise counsel.

Respectfully,

Office of the Secretary of Defense
